

March 2025

Dear Potential Business Sponsor,

Southold Historical Museum will be hosting the 4th Annual Pickleball Tournament on Saturday, June 7, 2025 (RD June 8), and we are seeking your support as a sponsor or a donor. Your contribution will help to promote interest in and education about our community's rich history. In return, your business will be featured throughout the museum (please see enclosed details).

Your business sponsorship will directly impact the work of the museum. In addition to supporting the Pickleball Tournament, your gift will also help to sustain initiatives such as:

- Educational programs for families such as Step Back in History Program for local school children.
- The preservation of our museum artifacts including those housed in Horton Point Lighthouse and the Maple Lane Complex
- The conservation and maintenance of the 17 historic museum buildings which add to the character of this community.

We hope you agree that the Southold Historical Museum is a vital part of the community. Please consider a Sponsorship or Donation with us! For your convenience, we have enclosed a Sponsorship/Donation form which we ask you to return to us by **Friday, May 9, 2025**.
